KELOWNA MINOR FASTBALL ADVERTISING OPPORTUNITY

Kelowna Minor Fastball Society is offering advertising signs to be placed on our outfield fences at High Noon Park. The facility is used every day from the beginning of April through till June. We will be hosting over 10 tournaments this year at the park in addition to a "Cops for Kids" event in August where hundreds of adult players come to the park for a weekend of festivities.

The exposure to your company will be very substantial. As well as reaping the rewards from the advertising you will also be helping to fund and support local girls Fastball Players from 5 to 19 years old. We have a very competitive House League System as well as Rep teams that travel the Province and promote our community.

We will put your sign on an outfield fence on one of the main 4 diamonds. We will also acknowledge your support by placing an icon on our Kelowna Minor Fastball website that can give a viewer the opportunity to click on your icon and go directly to your website.

The signs will be made of Coroplast and be 48" wide and 36" high. The cost of the sign including your advertising will be \$450 for the year. If you have a logo you can send it in jpeg form to the sign company and they will put it on your sign. If you require any specialty art work there may some additional costs. Once the year is over we will take down the signs and store them till next year. If you decide to continue with the sign next year the cost will only be \$250. We have included an order form and a sign layout for you to fill in. we require \$200 with your order and we will collect the balance on April 1st when the signs go up. Please make sure you include the name of the player/team that contacted you so the team gets the credit.

If you have any questions please contact one of the KMFS directors or email us at admin@kelownafastball.ca

We would like to thank you in advance for your support.
