

## 2017 KELOWNA U12B TOURNAMENT RULES

1. Softball B.C. rules will apply, unless otherwise noted.
2. **TIME LIMIT:** No new innings can start (signified by the last out in the bottom-half of an inning) after 1 hour and 20 minutes for all games with the exception of the Gold and Silver Pool Finals, which will be 7 innings. The umpire will announce the game's official start time following the completion of the first pitch. Maximum of 7 innings for all games.
3. **AFTER TIME HAS EXPIRED:** The top-half of the inning is played to completion. If the visiting team does not gain the lead in the top-half of the inning, the game is over and the score stands. If the home team is trailing, the bottom-half of the inning is played. As soon as the home team takes the lead in the bottom-half of the inning, or if already leading in the bottom-half of the inning when time expires, the game is over, regardless of the outs. The score stands.
4. **RUN UP RULE:** 14 runs after 3 innings, 10 runs after 4 innings, or 7 runs after 5 innings apply to all Round Robin and Play-off games. Five (5) run maximum per inning for first 3 innings, open all innings after.

### **RAIN OUT PROCEDURE**

18. Due to the climate in British Columbia and the possibility of rain on any given day, games may be called due to heavy rain or water build up on the fields. The umpires will make the call at game time. If there is lightning in the area get players and umpires off the fields. They will continue to stay off the fields for a minimum of 15 minutes following the last lightning strike.
19. During inclement weather, the tournament director reserves the right to shorten games or introduce a drop dead time limit for games in order to get all or most games played. If a drop dead time for games is introduced, the game ends immediately at time and the score as it stands regardless of top or bottom of inning.
20. Round robin standings will be determined by same number of games. If necessary, we will revert back to games played in the most recent full round of games and move into play-offs.
21. If necessary, play-offs will go straight to the final rounds with 1<sup>st</sup> vs 2<sup>nd</sup> and 3<sup>rd</sup> vs 4<sup>th</sup> according to the round robin standings.
22. If play-offs cannot be completed, we will revert back to round robin standings for medal awards.
23. A game is considered to have begun upon the first pitch in the top-half of the first inning. A game will be considered a complete game for the tournament standings when 5 full innings have been played.
