

## 2018 KMFS U14B TOURNAMENT RULES

1. Softball B.C. rules will apply, unless otherwise noted.
2. **TIME LIMIT:** No new innings can start (signified by the last out in the bottom-half of an inning) after 1 hour and 20 minutes for all games with the exception of the Gold and Silver Division Finals, which will be 7 innings. The umpire will announce the game's official start time following the completion of the first pitch. Maximum of 7 innings for all games.
3. **AFTER TIME HAS EXPIRED:** The top-half of the inning is played to completion. If the visiting team does not gain the lead in the top-half of the inning, the game is over and the score stands. If the home team is trailing, the bottom-half of the inning is played. As soon as the home team takes the lead in the bottom-half of the inning, or if already leading in the bottom-half of the inning when time expires, the game is over, regardless of the outs. The score stands.
4. **RUN UP RULE:** 14 runs after 3 innings, 10 runs after 4 innings, or 7 runs after 5 innings apply to all Round Robin and Playoff games. Five run maximum per inning for first 4 innings, open all innings after.
5. **ALL ROUND ROBIN GAMES** will be played as all players bat with unlimited defensive substitutions. The last recorded "out" is allowed as a courtesy runner for the catcher if there are 2 outs.
6. **ALL ROUND ROBIN GAMES** will have MVPs awarded to one player from each team. A player can only receive one MVP award for the tournament. Opposing coaches/scorekeeper's pick MVP's. The home team will be determined by a coin flip at home plate. If a round robin game is tied after time has expired or 7 innings, the game will end in a tie.
7. **ALL PLAYOFF GAMES** will be played with the coach option for EITHER all players bat with unlimited substitutions OR bat 9 play 9 with the DP/Flex rule. The choice must be declared to the umpire and scorekeeper at the plate meeting.
8. **ALL PLAYOFF GAMES** will give the higher seeded team the choice of home or away AND the choice of dugout. If seeds are the same, a coin flip will be used. If a playoff game is tied after time has expired or 7 innings, the game will continue in the top-half of the inning using the "International Tie-Breaker Rule" until a winner is declared. The Gold and Silver finals will be 7 inning games UNLESS both teams agree the game should be varied due to time constraints, weather, etc.
9. **PLAYOFF SEEDING** will be determined by total points (**2** for a win, **1** for a tie, **0** for a loss), followed by runs scored differential, least runs allowed and most runs scored. If still tied a coin flip or in the case of a 3-way tie, picking straws, will determine seeding. Maximum runs scored differential per game will be **+7**. Playoff Divisions are as follows:
10. **Gold Division** – The top two teams from each pool will advance to the Gold Division. This Division will award Championship Gold and Silver Medals and Consolation Gold medals.
11. **Silver Division** – the remaining two teams in each pool will play in the Silver Division - Championship side and Consolation side. Each winner will receive a Gold Medal.

12. **TIE BREAKERS** for playoff seeding, if needed, use the following rules:

- (1) Run Differential
- (2) Least runs allowed
- (3) Most runs scored
- (4) Coin Toss/picking straws

13. **MEDALS:** Kelowna Minor Fastball is experimenting with a different plan for awarding medals. There will still be 6 sets of medals handed out but they will be given to teams for winning their final game on Sunday.

Medals will be awarded to:

- **THE WINNER AND RUNNER-UP IN THE GOLD POOL**

19. Please be courteous and clean out your dugout after your game is over.

### **RAIN OUT PROCEDURE**

1. Due to the climate in British Columbia and the possibility of rain on any given day, games may be called due to heavy rain or water build up on the fields. The umpires will make the call at game time. If there is lightning in the area get players and umpires off the fields. They will continue to stay off the fields for a minimum of 15 minutes following the last lightning strike.

2. During inclement weather, the tournament director reserves the right to shorten games or introduce a drop dead time limit for games in order to get all or most games played. If a

drop dead time for games is introduced, the game ends immediately at time and the score as is stands regardless of top or bottom of inning.

3. Round robin standings will be determined by same number of games. If necessary, we will revert back to games played in the most recent full round of games and move into playoffs.
4. If necessary, playoffs will go straight to the final rounds with 1<sup>st</sup> vs 2<sup>nd</sup> and 3<sup>rd</sup> vs 4<sup>th</sup> according to the round robin standings.
5. If the final playoffs cannot be completed we will revert back to round robin standings for medal awards.
6. A game is considered to have begun upon the first pitch in the top-half of the first inning. A game will be considered a complete game for the tournament standings when 4 full innings have been played. If teams are able to play or begin to play three (3) games during the tournament, then KMFS is said to have substantially fulfilled their commitment to teams to play a certain number of pre-scheduled games.
